

Post – Sortering

Postsortering är kärnan i Evolutionserien!

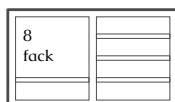

Postsortering är kärnan i Evolution serien och bygger på funktion och effektivitet. Detta i samband med stram design och ett smart modulsystem skapar en produkt som kan anpassas till de flesta miljöer oavsett om det ska smälta in eller sticka ut. Behöver ni förändra kontoret är det enkelt att lägga till eller modifiera möblerna.

Alla produkter i Evolution serien kommer i utföranden baserade på A4-anpassade höjdenheter som gör det enkelt att maximera utnyttjandet av rummets ytor.

Design: Mizetto
