

Bin There S
Product Fact sheet

MIZETTO

Bin There S

Bin There S takes care of the smaller recycling needs of the office in an elegant and mobile way. Two cylindrical bins are placed on a metal trolley, gently held in place by a neat metal frame.

The bins are fitted with details in natural tanned leather from Tärnsjö and wooden lids.

Design	ADDI
Environment	Indoor
Awards	Archiproducts design awards 2019 Dezeen longlisted 2020 BOY awards 2020, Honoree Architecture masterprize product winner 2020
Material	The bin consists of 8-70% recycled metal and is powder coated. The powder coating provides both environmental and quality benefits as no solvents need to be added and the amount of waste is minimum. Lids are made of ash or oak. Castors is made from plastic. All leather is natural tanned leather from Tärnsjö, Sweden
Paint/lacquer	Powder coated metal, wooden accessories clear coated.
Country of origin	Sweden
Preassembled	Partial assembly required, see assembly instructions.
Repairability	Castors, lids, bins and leather can be replaced. Wooden parts can be re-lacquered.
