# Bloom wall

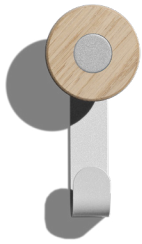

A storage unit with added functions and dedicated space for umbrellas, bags and other things often left in the entrance. Simple geometric shapes are combined in a way that refers to a flower's petals, which make up the knobs of the hanger.

Bloom is available in wall-mounted or free-standing variations, and can be combined with different elements to create a warm and welcoming atmosphere. The powder coated metal comes in nine standard colors in combination with oak plywood

---

<b>Design</b>	Studio Nooi
<b>Environment</b>	Indoor
<b>Material</b>	Bloom consists of 8 - 70 % recycled metal and is powder coated. The powder coating provides both environmental and quality benefits as no solvents need to be added and the amount of waste is minimum. The wooden knobs is made of oak veneered mdf board.
<b>Paint/Lacquer</b>	Powder coated metal, clear lacquered oak veneer.
<b>Country of origin</b>	Sweden
<b>Preassembled</b>	Partial assembly required, see assembly instructions.
<b>Repairability</b>	Knobs can be replaced, knobs can be re-lacquered.
