ASSEMBLE BIN THERE L

The construction is easy to assemble with few parts.

1. MOUNT THE WHEELS

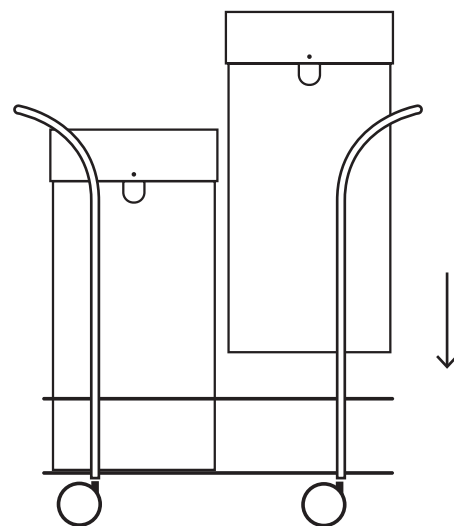

To fasten the wheels **remove the bins** and lay the trolley on its side.

- A.** Screw in the wheel axis. Use wheel bolt.
- B.** Press the wheels until they snap into place.

2. PLACE THE BINS

Place the bins in the trolley.

3. INSERT THE TRASH BAG

A. Use the three holes in the top of the bin to secure the bag in the bin.

B. Lock the bag with the top of the bin.
