

Server
Product Fact Sheet

MIZETTO

Server

Sporting a sleek, lightweight design, the tray Server exudes an air of elegance, further accentuated by its perforated sheet metal.

Server has been design to seamlessly integrate with Wait-Here.

Design Addi Design Studio

Environment Indoor

Material The tray consists of 8-30% recycled metal and is powder coated. The powder coating provides both environmental and quality benefits as no solvents need to be added and the amount of waste is minimum.

Paint/Lacquer Powder coated metal.

Country of origin Sweden

Preassembled Fully assembled.
